

How to add the COVID-19 banner/pop-up on PX and CWS (custom websites)

The screenshot shows the Martindale website settings interface for a COVID-19 alert banner. The interface is divided into a left sidebar and a main content area. The sidebar contains a list of settings categories, with 'COVID-19 Alert' highlighted. The main content area shows the 'Settings' for the 'COVID-19 Alert' banner. The settings include:

- Enable COVID-19 Alert:** A checkbox that is checked, with a red circle '3' next to it.
- Alert Type:** A dropdown menu set to 'Top Bar', with a red circle '4' next to it. Below it, a note says '(For Avvo Themes, please use the "Pop-up" option)'. A red banner preview is shown below this setting, containing the text: 'In response to recent COVID-19 concerns, we are writing to assure our clients that we are taking recommended precautions.' and a 'Contact Us' button.
- Content:** A text area containing the text: 'In response to recent COVID-19 concerns, we are writing to assure our clients that we are taking recommended precautions.' Below this, a note says 'Required: The message that will appear at the top of each page on the website. Example:'. A red banner preview is shown below this setting, containing the text: 'In response to recent COVID-19 concerns, we are writing to assure our clients that we are taking recommended precautions. [Learn More]' and a 'Contact Us' button.
- Content On Click Link:** A dropdown menu set to 'Alimony'. Below it, a note says 'Optional: Add a "[Learn More]" button at the end of the message that will navigate the user to the page picked in the dropdown above.'
- 'Contact Us' Button Link:** A dropdown menu set to 'Get To Know Us'. Below it, a note says 'Optional: Add a "Contact Us" button that will navigate the user to the page picked in the dropdown above.'
- Content Color:** A color picker set to '#FFFFFF'. Below it, a note says 'Optional: The color of the text. Default: #FFFFFF'.
- Alert Background Color:** A color picker set to '#F7261E'. Below it, a note says 'Optional: Background color of the banner message. Default: #F7261E'.

At the bottom of the settings area, there is a 'Save Changes' button with a red circle '5' next to it.
